

MA 1

Air Conduction Audiometer

Smallest handheld portable air-conduction audiometer.

Features At a Glance

- Portable air conduction screener (500Hz, 1K, 2k, 4KHz)
- Battery operated (2AA alkaline)
- Easy one hand push button operation
- Exceptionally lightweight, only 1 pound
- Carrying case included

With it's super-lightweight design, the MA 1 is small enough to hold in the palm of your hand. Tucked into its carrying case (included) the MA 1 is our smallest, lightest portable audiometer. Although it is small, it offers a full range of screening.

Accurate, Dependable Engineering

Because it's portable, the MA 1 is engineered to be tough and reliable. Take the MA 1 anywhere with confidence. It's user-friendly push button design makes adjusting frequency and intensity easy.

Sleek, Small Design
